Charity Fundraiser to Benefit The Chaboudy Family

**Cut-a-thon and more

12-5**

Jim and Linda Chaboudy have two daughters Amber 17, and Heather 12. Their youngest daughter Heather received a heart transplant at birth due to a virus Linda had that attacked Heathers heart in the womb. Heather is a strong, beautiful spirit that has responded well to her transplant and has lead a stable life with the support of her family, doctors and friends.

In October the family experienced a scare with Heather's health and an unexpected surgery was performed due to complications. The family was feeling very blessed by the miraculous recovery from the surgery and were looking forward to enjoying the holidays and starting a fresh year when disaster struck in their home as a house fire traveled from their neighbors house and destroyed their home. They are a loving family and continue to feel blessed that they are all together and no one was harmed.

They had insurance on their exterior but not the interior.
All inside contents were lost.

In support of this wonderful family Somers Salon & Spa will be sponsoring a cut-a-thon with 100% of the proceeds to benefit the family.

Our Team will be on hand for haircuts, express manicures and pedicures, waxing and chair massage.

We will also be holding a raffle for Spa Packages and Gift Baskets.

Appointments will be taken in advance but are not necessary.
Cash or check donations will also be accepted for the family.
